2020-2021 School Year

Dear Parent/Guardian:

The Washington Unified School District does not carry medical or dental insurance for students injured on school premises, while under school jurisdiction, or while participating in school district activities. For this reason, the school district has arranged a student accident insurance program for your review and consideration. This insurance program is optional and complies with the CA Education Code, which permits distribution of necessary information from the company providing the coverage. The following types of student accident insurance plans are available:

**24-Hour Plan**: Covers injuries caused by accidents occurring anytime (24 hours/day), anywhere in the world. Coverage also includes participation in certain organized youth sports.

**Annual COST: High Option- \$210.00 Mid-Option- \$105.00 Low Option- \$82.00**

**School-Time Plan**: Covers injuries caused by accidents occurring: (1) at school during the school day; (2) while participating in school-sponsored & supervised activities, and during the direct and uninterrupted travel to and from the insurer's residence and scheduled classes.

**Annual COST: High Option: \$43.00 Mid-Option- \$28.00 Low Option- \$14.00**

**Tackle Football Coverage**: Covers injuries received while participating in sponsored supervised Sr. High School Interscholastic Football games or practice sessions, or traveling to, during, or after such activities as a member of a group in transportation furnished or arranged for by the policy holder.

**Annual COST: High Option- \$215.00 Mid-Option- \$115.00 Low Option- \$85.00**

The Applications, Description of Benefits and Claim Forms are available electronically to you and the students. To access the application on line, please go to [www.k12specialmarkets.com](http://www.k12specialmarkets.com)

***If you choose to purchase this insurance, please return the completed application, with the correct premium, to the insurance company directly.*** Although you may already have medical insurance for your student, purchase of this additional coverage could assist you with deductibles and balances left unpaid by your primary insurance carrier. The district is not responsible for amounts not covered by the plan.
